“Milna muqaddar nahi tha, par chahna gunah bhi nahi tha”

Part 1 – Secret Crushes & First Confession

College campus ki subah hamesha ek alag hi energy le kar aati thi. Hawa mein halki si thandak, students ki chhoti-chhoti hansii aur bags ke patakne ki awaz... sab kuch ek rhythm mein tha. Suhail apni usual routine mein library ke last corner mein baitha tha, haath mein notebook aur dimag mein pending assignments ke saath... lekin uska dhyan aksar library ki activities se zyada ek hi cheez par jaata — Ayesha.

Ayesha, apni bright smile aur shy gestures ke saath, campus ke har corner ko khud ke rang se bhar deti thi. Suhail aksar uske paas se guzarte waqt chhupi nazar se uski taraf dekhta, aur dil mein ek ajeeb si garmi mehsoos karta. Har baar jab unki aankhen takraati, Suhail ka heart skip kar jata aur uske cheeks thodi der ke liye red ho jate. Ayesha bhi kabhi kabhi uski taraf dekh kar blush kar leti, phir quickly apni notebook ya hair ke peeche chhup jaati.

College ke chhote corridors aur canteen ke tables unke liye ek silent stage ban gaye the — jahaan har chhoti si muskaan, har accidental brush aur chhupke conversation ek nayi kahani ban rahi thi. Log kehte the ki Suhail aur Ayesha simple friends hain, par dono jaante the ki is simplicity ke peeche ek gehra connection hai.

Ek din, Suhail ne decide kiya ki ab aur wait nahi karna hai. Usne phone uthaya, aur ek simple sa message type kiya:

“Hi Ayesha... mai ye directly nahi bol pa raha, isliye text kar raha hoon. Mai tumhe pasand karta hoon... aur socha ki shayad tum bhi same feel karti ho. Kya tum... mujhe chance dogi?”

Suhail ne teen baar apna phone check kiya, heart beat fast, aur phir finally send button dabaya.

Thodi der baad, phone buzz hua. Ayesha ka reply:

“Suhail... ye... mai... yes... mai bhi tumhe pasand karti ho. Thodi shy hoon... par yes.”

Suhail ka dil literally jump kar gaya. Usne turant phone close kiya aur library ki khidki se bahar dekha, jaise campus ki fresh hawa bhi uske excitement me share kar rahi ho.

Us din ke baad, college ka har din ek nayi sweetness le kar aaya. Cafeteria me ek hi table ke paas baithna, notes ke bahane ek dusre ke pass aana, aur chhoti chhoti

hand gestures — jaise accidentally haath touch ho jaana, ya ek quick smile exchange karna — ye sab moments unke liye ek nayi duniya ban gaye. Suhail aur Ayesha dono hi khud me ek dusre ke presence ka comfort feel kar rahe the.

Ek dusre ke saath walking in the corridors, ek chhota sa “Hi” ya “Bye” exchange bhi heart ke liye excitement ka trigger ban gaya. Ayesha ke shy blushes aur Suhail ke confident, lekin slightly awkward smiles, dono ke liye ek secret language ban gayi thi.

Ek shaam, campus ke garden me, Suhail ne Ayesha ke liye ek chhota sa gift rakha — ek simple bracelet, jo sirf ek symbol tha unke growing bond ka.

“Ye tumhare liye... bas yaad rakhna, mai hamesha tumhare saath hoon,” Suhail ne softly kaha.

Ayesha ki aankhon me halki si chamak aur smile aa gayi, aur usne bhi softly reply kiya,

“Suhail... ye feeling... humari story... sab mere liye special hai.”

Aur phir, jaise hi dono wapap campus ki taraf chale, unhone realize ki ab unka rishta sirf secret crush nahi raha, balki ek real emotional bond me transform ho gaya hai.
